

Abbeywood Tots (Station Road)

News letter

Frogs

The Frogs have loved making robots for their robot theme out of junk modelling, they also enjoyed giving 'bee/bot' (a bee robot) instructions to follow along a road. Last week the children made their own restaurant for Chinese New Year, they enjoyed using chop sticks and having real ice cream in their restaurant with their friend. This week's theme is Giants, the children have been planting magic beans and making giant sandwiches they have enjoyed role playing 'Jack and the beanstalk'.

Forest trips

Forest school trips will be starting again for 6 weeks from Tuesday 24th January for a group of pre-school children.

Tadpoles

The tadpoles have enjoyed their theme this week about natural resources; they went for a walk up to the allotment and collected leaves and twigs which they then used to make a collage. Last week the children did fun activities about the circus they enjoyed juggling balls, balancing plates and made clown costumes, they even had their faces painted. Next week the Tadpoles will be learning about animals and where they live, they will be making animal homes, animal noises and going on an animal hunt.

Parents Week

Remember to book a time to see your child's key worker. Find out how they are progressing, look through their 'learning diaries' and share your ideas you may have.

Wk of 12th March

Parents information evening and parents Forum

Come along Monday 6th February 6.30-8.30pm, we will be talking about some teaching skills, for example, problem solving, risk taking and communication. Also the baby room staff will be talking about their activities and routine. Also the parent's forum where you can share any ideas you have with the nursery and management.

Diddy Dance

Jodie our dance teacher is coming again this term on a Tuesday afternoon. The children will be doing an end of term dance performance for all parents to come and watch. Parents/carers are also welcome to join in the diddy dance sessions on a Tuesday afternoon, babies 2-2.30pm, frogs and tadpoles 2.30-3pm it will be lovely to see you joining in.

Butterflies

The babies have been enjoying their theme about twinkle twinkle little star. They have been learning the actions and being creative with star shapes. Next week the babies are learning about their body parts and recognising them
