If you take an interest in health and beauty, you will have heard of the international company CACI and their products. The award winning CACI Quantum machine (pictured below) is described as the most technologically advanced computer-aided beauty equipment available today.

It works by stimulating the muscles with micro-currents of different frequencies and wavelengths. A CACI Quantum session restores and redefines muscles, reduces lines and wrinkles while toning sagging body muscles, so you receive a non-surgical facelift at the same time as a total body toning experience.

It's impressive results has meant a plethora of celebrity customers swear by CACI treatments, such as Kate Moss and Kylie Minogue. A qualified operator knows exactly how to use the machine on areas of the face and body to achieve instant, visible and safe results. By targeting several areas at once, the CACI Quantum achieves great effects and also saves you both time and money. It features specific programmes for slimming, contouring, cellulite, lymphatic drainage, face lifting, wrinkles, acne and scar tissue.

Using the new anti-aging serum buds and pure collagen, in addition to the quality CACI skin care range that has been formulated to enhance the results of the CACI Quantum treatment. So whatever your area of concern, the CACI Quantum has the solution...and it's much safer, easier and cheaper than surgery.

### CACI Face Lift

A CACI non surgical face lift is an electronic beauty treatment using a CACI machine. CACI face lift treatments lift the face by toning facial muscles, smoothing away fine lines and wrinkles and preventing sagging skin.

When you go to the gym, you work your muscles to give yourself a better body shape, so why not work out your face and keep that in better shape too.

The beauty of the CACI face lift is that it is actually a pleasant relaxing facial treatment which may be combined with products to exfoliate and rejuvenate your skin. So lay back on the couch while the CACI machine does the hard work!

Think of a CACI face lift as insurance your face, a monthly pampering treatment to keep you looking young.

CACI rejuvenates the skin, lifts the elevating muscles within the face and neck area and body treatments.

The CACI programme consists of a course of weekly treatments, followed by a monthly maintenance session.
