

## Waxing for Men

Here at **The Back And Beyond**, which operates out of **The Amber Health, Beauty and Sports Injury Clinic**, it is our mission to deliver the most professional and comfortable specialist waxing treatments employing only the latest technology in waxing systems that have benefited from over 30 years innovation, and have been awarded 20 patents in their advanced development.

Trained by the UK's ONLY Habia approved training course professional for Intimate Male Waxing, your therapist will strive to treat you with care, dignity, respect and maximum possible comfort. From your toes to the tops of your ears and everywhere in between - call **07772 262 187** now to arrange your free consultation and agree on a customised plan just for you.

Popular treatments include Back and Shoulders, the BSC (that's Buttocks, Sac & Crack to you!) and Painless Nostril waxing.

It's gorilla warfare gentlemen. Where shall we start?

Your discretion is assured.
