Ground Works - Remediation - Excavation - Site Clearance - Crusher & Screener Hire - Strip Out

We can confirm that our Vale Park Demolition Service Ltd or any subcontractors on sites that were within our control hasn't/haven't had any reportable accidents, fatalities, HSE improvement notices, HSE prohibition notices and/or summons served on our company and/or conviction of offences under the Health and Safety Legislation or Environmental Legislation for the last three years. The recorded rates for all of the above is ZERO.

Due to our zero rates for reportable accidents, fatalities, HSE improvement notices, HSE prohibition notices and/or summons served on our company and/or conviction of offences under the Health and Safety Legislation or Environmental Legislation for the last three years no extra steps have had to be taken to change our excellent record to avoid accidents/ incidents/ convictions from happening again, however we are regularly monitoring & auditing our systems & procedures.
