

MISS UNDERSTOOD PINK TRIBUTE SHOW

A little bit about me..... The Miss Understood Pink Tribute Show has been running for approximately 3 years now and wow what a rollercoaster ride it has been for me !!! I've had some amazing experiences, touring the UK with Mike Tyson and working on shows for Roberto Duran, Thomas Hurns, Frank Bruno, Nigel Benn and many other boxers, supporting Diversity on their Tour, not to mention performing at the Lowry Theatre Manchester for the Ben Roe fundraiser, along with X Factor finalists Andy Abraham, Bad Lashes and the cast of Hollyoaks. I take pride in my work and love doing Charity work. I've supported Help for Heroes, Breast Cancer and many more. I have worked closely with T-Rex drummer Paul Fenton, and had the pleasure of re-recording Hot Love which was a big hit for T-Rex in the 70's in aid of Yorkshire Air Ambulance, in October I supported Jason Manford in a charity event for Child line at Batley Frontier. I'm proud to say that by the end of this year I will have supported and performed for at least 5 Prides, including Bradford Pride hosted by my sponsors Uber Village Bradford, Lincoln Pride, Sheffield Pride, Hull Pride, and the Pride of my home town Wakefield!!!!

For everyone that has supported me, Thanks for coming out to play and being so much fun to rock out with !!!!

Lots of love *Miss Understood X*
