

Ball Flights From In – To – Square –To – In swing path

1. Straight Shot

Reason: The clubface is **SQUARE** to the swing path (Work on your short game)

2. Ball starts straight but curves left of target

Possible Cause: Set – Up

Grip – One or both hands may be too far to the right of the handle causing clubface to close.

3. Ball starts straight but curves right of target

Possible Cause: Set – Up

Grip – One or both hands may be too far to the left of the handle causing clubface to open.
