

- 33ft, 40ft, 45ft Flatbeds
- 40-60ft Trombone Flatbeds
- 800mm Step-frames
- Crane Vehicle with 35-55ft Trailer

Gordons Transport Ltd is proud to announce the launch of our new Lorry Loader crane vehicle.

This addition to the fleet highlights our commitment in working closely and responding to our valued customer requirements.

The remote control PM65 Lorry Loader crane is fitted to a DAF 6x4 articulated tractor unit.

Combined with our existing vehicle and trailer fleet we really can offer a complete transport solution to the Construction and Manufacturing industries.
