

# CURRICULUM INFORMATION FOR PARENTS

Class Y

Term Summer 2010

English		Some of us will be learning about report writing, reading and writing stories and about shape poems. The sensory literacy group will be exploring 'under the sea' on a treasure hunt!
Mathematics		Time, 2D 3D shape, position and direction, fractions, capacity, data handling using different type of tally and bar charts and numbers and calculations will all be explored this term. We will also continue to work on our individual targets.
Science		Science is going to be all about growth and reproduction. We will be learning about the stages of development from a baby human and other baby animals.
PSHCE		We will be looking at how our bodies have changed since we were babies and what the differences are between us and older people. We will be talking about what changes will happen next and how to keep our bodies clean and healthy.
Art & Design		In art we will be doing 2 artist studies on Chas Jacobs and Lowry. We will be making our own seaside pictures by looking at the work of these artists.
Design & Technology		In DT we will be reading the story of The Lighthouse Keepers Lunch. We will be making our own picnic lunch and finding out what we like and don't like.
History		We will be comparing Blackpool and Morecambe in the past and how it is now. Hopefully we will be going on a visit to Blackpool for the day.
Geography		In Geography we will be thinking about how beaches are made, what we see at the beach and all about the coast.
Music		In music we will be thinking about the sounds of the seaside and how we can make them in our own sea side garen.
Physical Ed.		Our PE topic this term is Athletics. We will be spending as much time outside as we can throwing, running and jumping.
Religious Ed.		In RE we are thinking about festivals and food. We will be thinking about The Eucharist and food that is special to us as well food used in Islamic festivals and what this represents.
ICT		We will be continuing to work on our individual targets using the Interactive whiteboard and computer by using a switch, roller ball or mice

MEMO Bleasdale swimming on Wednesday, Salt Ayre Swimming on Friday.

PE will be on Thursday afternoons.
