Dear Parent/Carer

We will be offering an exciting range of weekend activities over the next 12 months funded by Aiming High. The activities include Rebound Therapy sessions, Dance and Cycling days and some residential opportunities which will be supported by Loyne School Staff. Parents and carers will be required to bring children to and from school.

Please indicate if you are interested in any of these activities (places are limited) and we will contact you again when we have an overview of potential applicants. Places will then be allocated, (some sessions will be aimed for particular ages/ disabilities). Information forms about your child will need to be completed beforehand. These activities are open to children with SEN (who meet Aiming High criteria) from schools in the area.

Yours sincerely

Kevin Duncan
Extended Schools Co-ordinator

Name of son/daughter_____ Parent/carer signature_____

We are interested in the following activities; we understand this does not guarantee a place

Rebound sessions *suitable for children with Down's syndrome)*	**Please circle** *(for health and safety reasons unfortunately this session is not*
8th May 2010	morning afternoon
19th June 2010	morning afternoon
25th September 2010	morning afternoon
13th November 2010	morning afternoon
15th January 2011	morning afternoon
13th March 2011	morning afternoon

Cycling	
25th September 2010	morning afternoon
13th November 2010	morning afternoon
15th January 2011	morning afternoon
13th March 2011	morning afternoon

Dance Days (please circle)
31st May 1st June Future dates to be confirmed
