

# F.E. Newsletter

February 2009

## Welcome!

We welcomed two new students into F.E. this term

Liam

Tommy

We hope that they both enjoy their time in F.E.

## Climbing and trampolining

As part of the Leisure module some students have been on four visits to Our Lady's Catholic College. We have worked really hard on our climbing and trampolining skills, and have really enjoyed ourselves!

## Work Experience

Three students have completed their work experience already this term. Vicky spent a week at ASDA, and Chloe and Jodie went to the Scope charity shop. They all worked sensibly, gained great experience, and have been a credit to the school.

## Pedal Power.

A group of students has visited Pedal Power in Lancaster to take part in an art project. They disassembled old bikes and used the parts to create a large spider sculpture.

## Enterprise Group

Students from the enterprise module have been to Lancaster University for two days to take part in the Voltage Project. Volunteers from LUVU, at the university will come to school to assist Loyne Enterprises Ltd. With their enterprise project – a Mothers' Day sale, which will take place on Tuesday 17<sup>th</sup> March.

**Please send in donated Mothers' Day gifts for us to sell at the sale – Thank you!**

Some members of the same group also visited the lifeboat station in Morecambe to present a cheque for £40 raised by their Christmas sale.

## Football Fans

A enthusiastic group of students visited the Reebok Stadium on a Youth Club trip to see Bolton play Spurs. They were pleased to see Bolton win 3-2.

## Restaurant Evening

Students in the Team Enterprise group have been getting ready for the next Restaurant Evening.

They have been practising their table laying and their waiting and waitressing skills. They have also been tasting different foods and deciding on a special mouth-watering menu for the evening!

## Diary Dates

### Tuesday 17<sup>th</sup> March

**Mothers' Day sale run by the Enterprise group.**

Children throughout the school can bring money in to buy gifts for their mothers.

### Thursday 26<sup>th</sup> March

**Restaurant Evening by the Team Enterprise group.**

Come and enjoy an excellent meal in a relaxed setting, presented and served by F.E. students.
