

**New Children's Centre,
Brookside School, Street**

Project Title	New Children's Centre
Location	Brookside School, Street, Somerset
Client	Somerset County Council
Architect / Contract Administrator	Somerset Council Property Services
Structural Engineers	Pick Everard
Contract Value	£558,702
Duration of Works	30 Weeks
Completion	28th March 2008
Procurement Method	Open Tender
Contract No.	1511

The work comprised construction of a single storey Children's Centre in part of the existing playground of Brookside Primary School. The building is a traditional build, with a small steel framed construction located in the centre of the building to allow for a large open nursery area. The building was constructed off a raft foundation and the superstructure comprises cavity block work with external through-coloured render and an internal plastered finish. The facilities include large nursery area, children's disabled WCs, offices, kitchen, quiet room, stores and outdoors children's soft play area.
