

### Refurbishment of the Existing Swimming Pool

<b>Project Title</b>	Refurbishment of Allen Baths
<b>Location</b>	Downside School, Stratton-on-the-Fosse
<b>Client</b>	Downside Abbey School Trustees
<b>Architect / Contract Administrator</b>	NVB Architects
<b>Contract Value</b>	£605,211.17
<b>Duration of Works</b>	32 Weeks
<b>Completion</b>	29th May 2009
<b>Procurement Method</b>	Negotiated
<b>Contract No.</b>	1517

The work comprised the refurbishment of the existing school swimming pool building, including changing room and gymnasium areas. The works included the stripping and re-roofing of the existing building, cleaning and removing all paint and rust from the existing steel roof members and redecorating; installation of a new internal through-coloured render wall system to the internal swimming pool walls; renewing of the pool's heating system, lighting, filtration and drainage systems, along with the renewing of the internal pool tiling, coping and surrounding tiled areas; and modernising the existing changing rooms through refurbishment and alteration.
