

### Construction of a new three storey Dormitory Block for 6th Form Girls

<b>Project Title</b>	New 6th Form Girls Dormitory Block
<b>Location</b>	St Mary's School, Calne
<b>Client</b>	Governors of St Mary's School
<b>Architect / Contract Administrator</b>	NVB Architects
<b>Contract Value</b>	£3,658,612
<b>Duration of Works</b>	56 Weeks
<b>Completion</b>	29th August 2008
<b>Procurement Method</b>	2-Stage Tender
<b>Contract No.</b>	1500

The work comprised construction of a three storey boarding house for 6th Form Girls. The building is a steel framed structure built on a piled foundation, with ground beam connections. The ground floor is block & beam construction, with the upper floors being constructed of pre-cast concrete planks. The superstructure of the building is an airtight Metsec cladding system with aluminium windows and doors. The building houses approximately fifty girls and incorporates kitchen, linen rooms, bathrooms, common rooms and accommodation for the House Mistress.
