

Keeping Creativity Alive

Bricks, Cylinders, Cones, Spheres, Discs... OASIS® Floral Foam shapes help you create arranged floral fantasies!

OASIS®
FLORAL FOAM

Available in many different shapes and sizes
OASIS® Floral Foam has the holding power required for delicate or heavy-stemmed flowers.

With a fast saturating formula, great water retention and minimal drainage - **OASIS® Floral Foam** allows you to get straight to work, ensuring your arrangements look great and stay fresh for as long as possible.

And by packing our **OASIS® Ideal Floral Foam Bricks** in our new 'ripper carton' they're now much easier to get at and handle.
