

The Moment Your Skin Changed. Forever.

DERMALOGICA is an advanced and effective skin care system that delivers dramatic results. Each product is completely free from artificial colours and fragrances, non comedogenic, and screened for any known acnegens. All ingredients are listed and never tested on animals. It comes in hygienic, contamination free packaging and is only available from appointed salons. Sample products available on request.

THE FACE

An initial complimentary consultation and skin analysis will enable your therapist to design the right treatments for you, with recommendations for continued care at home.

Mini Facial 30.00

30 minutes - gives an insight into basic skin care, includes deep cleanse, exfoliation, mask and moisturiser.

Prescriptive Facial 46.50

Approximately 1¼ hours – your therapist will tailor this very thorough, deep cleansing, nourishing treatment to suit the needs of your skin on the day, includes relaxing acupressure massage and high tech electrotherapy as required.

FACIAL TONING/LINE & WRINKLE ELIMINATION

This specialist treatment is a face lift without surgery. The use of micro current lifts, tones and tightens facial muscles. Line elimination - encourages the body to produce its own new collagen and elastane
